Fund for a Healthy Nevada – NRS 439.630

How a Statewide Community Needs Assessment Drives a Budgetary Spending Plan

Step 1
Statewide Community Needs
Assessments

Aging and Disability Services gathers data on behalf of the Commission on Aging and the Commission on Services for Persons with Disabilities

Office of Community Partnerships and Grants gathers data on behalf of the Grants Management Advisory Committee

Step 2 Funding Priority Recommendations

Commission on Aging

Commission on Services for Persons with Disabilities

Grants Management Advisory
Committee

Step 3 Agency Request Budget

Director, Department of Health and Human Services, considers recommendations and develops FHN spending plan for next biennium

Step 4 Governor's Recommended Budget

Governor considers
FHN spending plan as
part of his
recommended budget

Step 5
Legislatively Approved
Budget

Legislature considers FHN spending plan as part of final budget for next biennium
